

6th Year Careers Evening - Thursday, March 5th at 7pm.

A Career evening will take place for all 6th year students this Thursday evening in school. Students will attend two talks in career areas they are interested in. 6th year students are asked to arrive at the school from 6.30pm to register their attendance. The first scheduled talks will commence at 7pm and the second scheduled talks will commence at 7.50pm. The event will conclude at approximately 8.30pm.

It should be a great evening that will offer the students a valuable insight into their possible future career paths. A special word of thanks to the members of the Parents Council for helping to organise this event for the students.

Kind regards,
The Guidance Team
