11th October 2022

Dear Parent(s)/Guardian(s),

Due to popular demand our 24 hour Soccer Marathon is back!

The event will be held on Friday, 18th November 2022. As you may already know, the event will take place in the Multi-Purpose Sports Hall. The games will begin on Friday, 18th November at 8.30am and run continuously through the day and night until 8.30 a.m. on Saturday, 19th November.

Each year group will be allotted 3½ hours of continuous play with teams of 5 with 2 rolling subs. The gym will be temporarily converted into a "games room" for students with various consoles, beanbags and cushions, etc. There will also be food and beverages provided for every student towards the end of their slot. We would strongly encourage all students to participate in this really enjoyable and worthwhile activity.

All students will be given a sponsorship card and we kindly request that the minimum amount each student will collect in sponsorship is 20 lines @ €1.50 per line euro. For any family with more than one son in the school there is a requirement to fill one card only. All monies collected will be used to directly benefit the students. It will help to finance the enhancement of facilities in our new school.

The 24 hours will be supervised by the staff of the Patrician Academy. We are very much looking forward to this event and would greatly appreciate your help and continued support to ensure the success of the 24 hour Soccer Marathon 2022.

Kind regards,

Ms. Monica White
Event Co-ordinator

Principal: Ms. Elaine O'Regan **Deputy Principal:** Mr. James Delaney
