It is in the school interest that all students enjoy this outdoor education trip and that they gain that sense of fulfilment from their experience. In order to make it a successful trip, student co-operation is vital, both with staff at the centre and the school staff who give up their time to make the trip possible.

The following is a list of rules that all students will be expected to adhere to:

- 1) Pupils must participate fully in ALL activities
- 2) The activity centre have a policy of collecting mobile phones from ALL students at night and returned first thing in the morning. NO EXCEPTIONS. If contact needs to be made, it can be done by ringing the centre directly on +353 (0) 22 27773.
- 3) Mobile phones, along with all other personal items, are the responsibility of pupils' themselves. Ballyhass Centre, Salesian Secondary College or any staff member is not liable for loss of any personal belongings. The school mobile phone policy extends to school trips.
- 4) Absolutely no alcohol or smoking is permitted. Cigarette lighters and matches are strictly forbidden.
- 5) Any student with allergies, dietary requirements and medication must tick the required box on the Consent Form, together with any additional information needed, and any medicines must be handed into staff at the centre. This information must be provided via the form on the School App.
- 6) Students will be expected to behave in an orderly and courteous fashion, both on the bus to and from the centre, in the centre itself and on all activities.

Failure to comply with the above rules will result in parents being contacted and asked to collect their son / daughter from the centre.

Parents are asked to read the above conditions with their son/daughter. Students and parents should then complete the Consent Form via the App.
