

Parents Association Newsletter

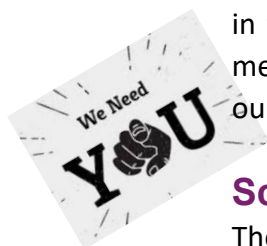

March 2025

Welcome to St. Paul's Newsletter

This is the first Newsletter generated by the PA and we welcome your feedback on any specific information you would like to see here.

The Parents Association meets with school management on the first Wednesday of every month at 8pm. If you want to find out what is happening in the school and make a positive impact for your son, please join us. New members are always more than welcome, as we work together in supporting our children— Look forward to seeing you!

School Year Activities 2024 -2025

The School Year has been a busy one, packed full of activities. Looking back to the start of the Year we had the **Open Night**, which was a great success. On the 16th September, a large number of students from all years assisted on the night and welcomed potential new students with a great display of subjects. The Parents Association supplied refreshments on the night and shared their lived experiences with incoming parents.

Careers Night was held in November 2024. Organised by the PA, led by Catherine Flynn. The night was a resounding success. Volunteers from all walks of life gave their time and shared their experience with Senior students across 4th, 5th and 6th year. A very informative evening and one we hope to repeat

ST PAUL'S
COLLEGE

Parents Association

again soon. Check out the Gallery on the school App for photos of the night. For any Parents wishing to support the next Careers Night look out for upcoming notices or contact the PA directly at stpaulspasecretary@gmail.com.

The Annual **Quiz Night** was held in December 2024 at Clontarf Rugby Club. Organised by members of the Parents Association, this has become the main fundraising activity over the last few years. Due to the success of the Quiz night this is the only fundraiser needed.

All thanks to the generosity of our Sponsors (check out the St. Paul's website), the parents on the night, those buying raffle tickets and those donating prizes. Lots of raffle prizes were won and the absolute best of minds battled it out to be crowned the Winners

Last year the PA fund raising led to the purchase of new sports equipment for Table tennis and a Basketball hoop. In addition, the funds also go towards the schools' study skills, concerts and anti-bullying courses. This year we are helping to fund more equipment and courses.

The **Talent Show – A Night to Remember!**

In March, the combined efforts of the TY students and the teachers gave us the *St. Pauls Talent Show* - an incredible night of entertainment. The performers were extremely talented, entertaining, and confident. Tremendous work went into preparing for the show and for those lucky parents who made it on the night, it was a spectacular event. Well done to all the contestants and the Judges made an impression too! Check out the Gallery on the school App for photos.

What Next?

10 dedicated students are volunteering in Kenya this June 2025, where they will work in a primary school and support the local communities. Any donations, big or small, would be greatly appreciated, <https://www.gofundme.com/f/st-pauls-immersion-trip-2025>. Thank you!

The Summer is fast approaching, and the PA will be proudly supporting our Seniors at the St. Pauls Graduation in May.

We will keep you posted of any upcoming events and in the meantime, we wish you and your families a very Happy Easter!
