*You're very welcome to join us for Market Day 2025.
Our students have been working hard on their mini-company projects, and they're excited to showcase their creativity, teamwork, and enterprise skills.
We'd love to see you there and support the girls as they present their products.*

November 26, 9 AM–12.30 PM

**Our Lady of Mercy College,
Beaumont – Concert Hall**

Students may bring a small amount of money if they wish to buy something on the day, but there is absolutely no obligation.

Bring your family and friends and let's make this the most memorable Christmas season yet!
