

ANNUAL COST TO RUN HCETSS

€250,000

The projected annual costs for running the school for 2024/2025 is €250,000. This includes maintenance and administration costs. To meet these costs funding is needed from both the Government and School community.

40%

The School Community funding requirement is 40% of the projected annual costs. Like many schools, HCETSS relies on raising additional funds to bridge the financial gap and ensure that we provide the learning experience your children deserve. Currently Parents/Guardians are asked to contribute the following charges that support the school and your child's learning experience:

Administration Charge €175

- 24Hr Student insurance
- Lockers
- School App
- Heating
- Electricity
- Contents Insurance
- Cat 4 assessments
- Careers portal

Annual Contribution

- PE Equipment
- Benches & tables
- Additional Bike racks
- ICT Equipment
- Music Equipment
- 2nd Outdoor canopy with astro

What's the Contribution magic number?

€275 or more!

€275

Any contribution over €250 will qualify for the Government's Charitable Donation Scheme allowing HCETSS to claim tax back from Revenue. Simply fill out a straightforward CHY3 form, return it to our office, and we will take care of the rest.
