 French – Modular 2
 Graphics – Modular 2
 Business – Modular 2
 Engineering – Modular 2
 Wood Technology Mr Killganon- Modular 2
 Geography- Modular 2
 Science- All 3A Modular 2

Ms Carey Molular 3
 Ms Murphy Modular 3
 Mr Dunlee Modular 3
 Ms O Hora – Modular 3

Mr Lynch Modular 3

All 3B Modular 3

Rules and Regulations for Students in Mock Examinations 2026

1. Students must ensure they are present for whatever exams they may be sitting. If you finish early and have no exams for the rest of day **you must be signed out by a parent/guardian in order to go home.**
2. **Arrive early** and be on time for exams. Please **check exam timetable carefully** for **time** of exam and **rooms** they are taking place in.
3. **Prepare for exams** by having A4 paper, pens, ruler, calculator etc and get these out and be ready for the exam to start. Graph paper, T-squares, boards, A3 paper and mathematical tables will be left in the exam room by your teacher.
4. All students must sit in their **allocated seat**, check the seating plan in each room.
5. **School bags** should be left at the top of the room. You may leave two books from another subject on the floor beside your desk so that you can study if you finish an exam early. Hand up your paper and take books off the floor to study. **Phones must be placed in the box provided in classroom.**
6. There will be complete **silence** during the exams. If you need to ask the teacher a question, **raise your hand**, wait until the teacher arrives to your desk and quietly ask the teacher the question. Under no circumstances should you disturb another student.
7. Students are **not allowed to leave the exam room** unless there are extreme circumstances. Students should make sure they use the toilets before each exam. Should you need to use the toilet during the exam, raise your hand and seek permission from the teacher to do so.
8. Students are not allowed to engage in **copying/unfair practices**. If a student is found copying the supervising teacher will collect the students' exam script and will ask the student to start the exam again. Both exam scripts will be collected at the end of the exam and a note will be made on the script that the student was copying. The student will receive a provisional mark in brackets for that examination. This provisional mark will be reported to the Parent in the exam report when a student gets their results posted home.
9. Students are **not allowed to study for the next exam** while there is an exam taking place. Please use the allocated time to complete all questions.
10. Students will **push in their seat** put all **papers** in the bin and leave the exam room in an orderly fashion or row by row in large exam centres.
